UPCOMING BOOK LAUNCH **April 26, 2018**

19:00 – Book Launch - Prague Noir: We are thrilled to be hosting the launch of Prague Noir. The following Czech authors will be here: Michaela Klevisová, Kateřina Tučková, Ondřej Neff, Petr Stančík, Miloš Urban, Jiří Walker Procházka

"The 14 crime stories set in Prague in this superior entry in Akashic's Noir Series offer armored car robbery, kidnapping, murder masked as suicide, and more--not bad for a burg that, as the editor notes in his intro, didn't even have 'the profession of private detective' until 1990...In the varied

and polished content of this volume, readers will find much to amuse." "Murder and mayhem erupt, even in fairy-tale Prague. Editor Mandys maintains that it may be hard to imagine dark doings taking place virtually in the shadow of Prague Castle, yet he manages to harvest 14 artful tales that speak directly to the contrary. Although there are few standard whodunits, Prague's long history provides fertile ground for evildoers...Perhaps nowhere but Prague do vice and enchantment live at such close quarters, and Mandys' collection captures both beautifully. A lovely addition to Akashic's venerable series."

Thursday April 19, 2018 Prague Reading Group

19:45 Globe Reading Group: This weeks discussion will be focused on *The Creamator*, by Ladislav Fuks. "The devil's neatest trick is to persuade us that he doesn't exist." Giovanni Papini It is a maxim that both rings true in our contemporary world and pervades this tragicomic novel of anxiety and evil set amid the horrors of World War II. As a gay man living in a totalitarian, patriarchal society, noted Czech writer Ladislav Fuks identified with the tragic fate of his Jewish countrymen during the Holocaust. The Cremator arises from that shared experience. Fuks presents a grotesque, dystopian world in which a dutiful father, following the strict logic of his time, liberates the souls of his loved ones by destroying their bodies first the dead, then the living. As we watch this very human character a character who never ceases to believe that he is doing good become possessed by an inhuman ideology, the evil that initially permeates the novel's atmosphere concretizes in this familiar family man. A study of the totalitarian mindset with stunning resonance for today, *The Cremator* is a disturbing, powerful work of literary horror.
